The following list of Civil War Veterans buried in Emmet County was obtained by John Sawyer, Robert Finch Camp GRO, upon a request for information to the Little Traverse Historical Society in November 2021.

The list was compiled by Jerry H Service, in 1962, after his exhaustive work on this project and a similar project in Cheboygan County. All credit is due to him for this painstaking research.

It is being added to the Finch Camp website CW Veterans list without additions or modifications. It was checked for clarity and ease of reading. It is believed to be accurate and as complete as possible. It will be left for researchers and those other interested parties to ascertain.

# Civil War Graves in Emmet County, Michigan, 1962

These records have been compiled (with the help of a good many people) as a part of the work of the Michigan Civil War Centennial Observance Commission.

Scarcely any pains have been spared to make the lists of graves as nearly complete as is practicable in 1962, 97 years after the end of the War and 20-odd years after the last death in the area; nevertheless the lists are certainly not 100% complete. Unmarked graves, within or without cemeteries, with no marks of recognition of service; even graves with private headstones with no local recognition of service, and not included in such documentaries as Michigan Census of 1894 Civil War veterans; such as these are probably sometimes missing from the lists.

The circumstances of the author prevented unlimited travel for personal interviews, reexamination of the more distant cemeteries, etc. Inquiries by mail were sometimes carefully and adequately answered; to others no answers at all were received. Consequently the Harbor Springs list is most nearly (if not quite) complete. Thanks to the cooperation of Albert Crawford, Superintendent, the Petoskey list is believed to be good. The lists are believed to be good also for the seven (7) outlying cemeteries attended by the Harbor Springs Post of the American Legion.

Concerning the veterans herein listed two tasks remain to be done: (1) where the "outfits" are not yet learned, to seek out as many as practicable by any means available; and (2) where the dates of death are not yet learned, to seek them out likewise.

Harbor Springs  
5 August 1962

Spent the day in Mich. Hist. Comm. Archives, Lansing, (at my own expense). For Petoskey Greenwood and for Harbor Springs I checked Descriptive Rolls for membership in Michigan units, quite thoroughly. Thoroughly for Harbor Springs, less so for Petoskey, also checked Mich. Milit. (War) Census of 1888 for vets living in Mich. who had served in out-of-state units.

11/19, 11/26, and 11/29/1962' During the afternoons of these days, a total of about eleven hours' work, the Death Records in the office of the County Clerk from 1867 to 1940 were searched for dates of death of Civil War veterans. The cooperation of Mr. Winfield S. Hinder, County Clerk, is gratefully acknowledged. It is believed that all data were copied accurately. However, although the search was made carefully with considerable back-checking, it cannot be certain that some names (for which death dates were needed) were not missed.

12/6/62 Studied old reports, U.S. & Civ. War, in Reg. records office -- no help on dates of regiment, etc. " " cert. copies of Army disch. in Co. talks office -- only one that not already shown Edger, Willis, Bliss.

12/17/62 Searched the records of Stone Funeral Home (including the Hatcher records) for several names and obtained dates of death and ages of death of 30-odd veterans, including a few born in Charlevoix and Cheboygan Counties.

5/27/63 original mailed to Chairman, Graves Registration Committee  
Mrs. Donald T. Owen, 2540 Oakdale Drive, Ann Arbor, Mich.

Dear Captain,

In receipt of your letter of 3 December 63. Thank You.

I think I inadvertently missinformed you on John Duvernay's service. His real name was John Kedgnot and he was a step-brother of William Duvernay. Both of these men were half Ottawa and half French. They both served in Co. B of the First Michigan Sharpshooters. They were the only Indians to serve inother than Co. K in the 1st M.S.S. After the war John changed his name to Duvernay, this is the stumbling block in obtaining a stone for his grave, but I think this has been taken care of.

About ( VanLueven, Cass d. 9/10/1918 ), I think you will find that he was VAN LEUVEN, CASSANDER , enlisted in Co. K, 21st Michigan Infantry on 24 March 1864 at Farmington Michigan for 3 years, age 18. Mustered 29 March 1864. Joined his regiment at Chattanooga Tennessee on 24 April 1864. Became a Musician in October 1864. Discharged at Grant Hospital, New York Harbor on 12 June 1865. How does this fit ? I'll look for the rest of your list.

Best Regards

*Charles*
